Program Overview

The Bachelor of Arts in Deliverance and Spiritual Warfare prepares students to understand and minister in the realm of spiritual conflict with biblical grounding, discernment, and care. Students study deliverance in Scripture, demonology in ancient texts, the Watchers and disembodied spirits, strongholds of the mind, and safe, ethical ministry practice.

How EACU Is Different

Deliverance is often taught from one person's experience. EACU examines it from every side: what Scripture states, what 1 Enoch and other ancient texts describe about the spirit world, how the church has practiced deliverance across history and traditions, and where mental health care must be part of the picture. All power originates with the Most High, and students learn to minister from that foundation.

Every EACU degree walks students through the evidence from every side and asks them to reach, write, and defend their own conclusions, while remaining grounded in the foundation of truth. Students learn to distinguish what the biblical text states, what ancient and later traditions add, and what interpreters have concluded.

> **Required in every EACU degree:** Biblical Interpretation (Rightly Dividing the Word), Biblical Finance and Stewardship, and Biblical Mindset and Mental Health. Every course is built with visual, auditory, reading and writing, and hands-on learning.

Please note: Students learn to discern between spiritual, emotional, and medical needs and to refer to licensed professionals when appropriate. This degree does not lead to state licensure or professional certification in counseling or health care.
