Program Overview

The Master of Arts in Kingdom Business and Entrepreneurship prepares leaders to steward resources, lead strategic marketing and financial management, and scale businesses and social enterprises.

How EACU Is Different

Business is ministry in the marketplace. Students examine business practices from every side, weighing what Scripture teaches about work, wealth, and stewardship alongside proven business methods, and build ventures that are profitable, ethical, and purposeful.

At the graduate level, students weigh the biblical text, ancient witnesses, research, and later interpretation side by side, then build and defend their own position with scholarly rigor while remaining grounded in the foundation of truth.

> **Required in every EACU degree:** Biblical Interpretation (Rightly Dividing the Word), Biblical Finance and Stewardship, and Biblical Mindset and Mental Health. Every course is built with visual, auditory, reading and writing, and hands-on learning.

Program Outcomes

1. Apply kingdom economics and stewardship.
2. Lead strategic marketing.
3. Manage finances for growth.
4. Lead social enterprises and nonprofits.
5. Complete and defend graduate-level research or an applied project.
