Program Overview

The Bachelor of Arts in Kingdom Leadership and Ethics prepares students to lead with integrity in ministry, business, nonprofits, and the community. Students study biblical ethics and character, servant leadership, organizational behavior, management, team leadership, communication, and strategic planning.

How EACU Is Different

Leadership is examined from every side: what Scripture shows through leaders who stood and fell, what research shows about organizations, and what ethics require when power is at stake. Titles do not create character, so students develop leadership grounded in stewardship, integrity, and service.

Every EACU degree walks students through the evidence from every side and asks them to reach, write, and defend their own conclusions, while remaining grounded in the foundation of truth. Students learn to distinguish what the biblical text states, what ancient and later traditions add, and what interpreters have concluded.

> **Required in every EACU degree:** Biblical Interpretation (Rightly Dividing the Word), Biblical Finance and Stewardship, and Biblical Mindset and Mental Health. Every course is built with visual, auditory, reading and writing, and hands-on learning.

Program Outcomes

1. Lead with biblical character and ethics.
2. Apply management and organizational principles.
3. Build and lead teams and volunteers.
4. Resolve conflict and communicate effectively.
5. Plan strategically and lead change.
