Program Overview

The Bachelor of Arts in Prophetic and Seer Studies explores prophets, seers, visions, and dreams in Scripture and ancient texts, and prepares students to minister prophetically with discernment and integrity. Students study prophecy in both Testaments and the early church, the visionary tradition of Enoch, symbols and patterns, dreams, and prophetic ethics.

How EACU Is Different

Prophetic ministry is examined from every side: the prophets and seers of Scripture, the visionary tradition of 1 Enoch and apocalyptic literature, the prophetic life of the early church, and the practice of prophecy across traditions today. Students learn to test what they receive, recognize patterns, and minister with accountability.

Every EACU degree walks students through the evidence from every side and asks them to reach, write, and defend their own conclusions, while remaining grounded in the foundation of truth. Students learn to distinguish what the biblical text states, what ancient and later traditions add, and what interpreters have concluded.

> **Required in every EACU degree:** Biblical Interpretation (Rightly Dividing the Word), Biblical Finance and Stewardship, and Biblical Mindset and Mental Health. Every course is built with visual, auditory, reading and writing, and hands-on learning.

2. Test and discern prophetic words.
3. Interpret symbols, patterns, visions, and dreams with biblical grounding.
