Program Overview

The Hybrid Dual Degree pairs the Master of Arts in Biblical Counseling with the Doctor of Ministry in Kingdom Business and Entrepreneurship in one continuous program of 63 credits instead of 72. The Master of Arts in Biblical Counseling deepens counseling knowledge and skill through counseling theory, case conceptualization, trauma-informed care, and group care. The Doctor of Ministry in Kingdom Business and Entrepreneurship is a professional doctorate for leaders in marketplace ministry.

How EACU Is Different

EACU counseling courses bring Scripture, research, and real human stories together. Students examine trauma, attachment, grief, and spiritual warfare from every side, including what Scripture states, what research shows, and where the two meet, and they learn when care should be referred to licensed professionals.

At the doctoral level, EACU students become the ones who walk others through the evidence. Every course requires students to examine a question from every side, then build and defend their own position, and the doctoral project turns that work into something that can be taught, published, or put into practice.

How the dual degree works. Nine doctoral credits count toward both degrees. The master's degree is conferred after the Master's Portion and the Shared Courses are complete (36 credits). The Doctor of Ministry is conferred after the Doctoral Portion is complete (36 doctoral credits, including the shared courses). Students need a completed bachelor's degree to enter.

Please note: This degree prepares students for counseling within ministry, church, and community settings. It does not lead to state licensure or professional certification, including as a professional counselor or therapist.
