Program Overview

The Bachelor of Arts in Apostolic Leadership prepares students to plant, build, and lead ministries and movements. Students study the apostolic office in Scripture, the five-fold ministry of Ephesians 4, church planting in Acts, spiritual authority, team building, and apostolic influence in the marketplace and culture.

How EACU Is Different

Apostolic ministry is often defined by titles. EACU examines it from every side: what Scripture states about the apostolic office, how Acts and Paul model it, how apostolic movements have operated across history, and what healthy authority and accountability look like. Students reach and defend their own understanding of the apostolic call.

Every EACU degree walks students through the evidence from every side and asks them to reach, write, and defend their own conclusions, while remaining grounded in the foundation of truth. Students learn to distinguish what the biblical text states, what ancient and later traditions add, and what interpreters have concluded.

Required in every EACU degree: Biblical Interpretation (Rightly Dividing the Word), Biblical Finance and Stewardship, and Biblical Mindset and Mental Health. Every course is built with visual, auditory, reading and writing, and hands-on learning.
